

ANDREWS' ENDOWED WEEKLY

<https://www.andrewsendowed.co.uk/>

16th June 2023

This Week:

I hope you are all enjoying the lovely weather this week—it is lovely to see the summer sunshine. It is really important that all children wear a hat to school during the hotter weather, have had sun cream applied in the morning before school and bring a water bottle to school. During the hotter months, we ensure:

- There are designated shade breaks;
- The children take their water bottles out to 'water stations' and designated water breaks are in place for each class group;
- All children are wearing hats;
- Close observations on children playing sports and ensuring there are deliberate rest times;

Please help us to ensure your child is safe in the hot weather.

It has been a busy week with Year 2 going to Chichester and Year 6 going to Winchester Cathedral for their Leaver's Service. I was able to share the Year 6's Leaver's Service. Our children were able to share their drumming pattern that they felt represented the school. Ethan and Zharia paraded our banner down the aisle with other church schools. The message that was shared at the service was 'We are everything in the light of everyone'. I thought that was a really powerful message to think about.

Summer Fair

The Andrews' Endowed Summer Fair is happening this Saturday, 17th June. I am hoping lots of people will be able to part of this community event. We will also be welcoming our new Acorns who will start at Andrews' in September. They will be wearing special badges so we can all welcome them to our school. If you are able to help at the Summer Fair please speak to your PTFA class representative or come and visit the school office.

Year 5 and Year 6 Production

Our Year 5 and Year 6 children have been busy practising their production for this year. They will be performing **Pirates of the Curry Bean at Treloar's on 11.7.23 and 12.7.23**. I am looking forward to seeing the production.

Our Crossing Patrol—Mr Susans

Mr Susans has already provided a year of service for our community and we are very grateful for the work that he does for the community. He has shared with me that he would like to commend the children for their good behaviour, polite manners and general friendliness while crossing the road. He also shared that they are a credit to the school and to you, their parents. In order to pre-warn families, Mr Susans will not be able to complete the Crossing Patrol on the afternoon **June 20th**.

Artist of the Month

I would love to see some children join in with the artist of the month this month. If your child would like to complete some investigations and create a piece of art for the June's Artist of the Month their art could be chosen as the winner. The opportunity will allow children to look at a different artist and their work. Children can then respond to this artist by either creating a picture, taking a photograph, writing a story, doing some research or showing their exploration of the artist in uniquely creative ways.

If your child would like to participate in this opportunity, their creative work can be given to me.

June's Artist of the Month is **Sonia Delaunay**

It would be great to have as many children entering with their investigations and representations of **Sonia Delaunay**.

Next Week

Information Evening for our new Acorns

On Wednesday 21st June there will be an Information Evening for our new September Acorns.

Our Daily Mile Track

We will be having our new daily mile track installed next week. We have been working with the company to ensure there is as little disruption as possible. At drop off and pick up please be extra vigilant for your younger children, who are not currently at school age.

The track is scheduled to take approximately three weeks so it will be ready for the opening parade at Sports Day.

A message from Mrs Sarah Reading

Mrs Reading worked in Year 1

Dear Andrews' family,

I have been quite overwhelmed with your kindness and generosity. Thank you so much for your very much appreciated gifts, kind words and memories.

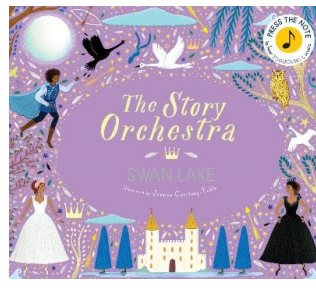

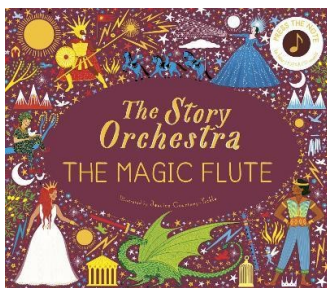

It has been a great pleasure to have been part of this school community and to be able to see your children develop and grow as they begin their school life in Acorns through to Year 6. Each of the children are unique individuals who have their own special talents which will carry them through their school journey.

I hope to be able to pop into school soon and look forward to seeing the children again.

With kind regards

Sarah Reading

Mrs Reading has very kindly given the children three beautiful Story Orchestra Books, which will go in our library.

Healthy Lunchtimes

For packed lunches, packed lunches can include anything so long as there are no:

- **Nuts (to safeguard those with allergies)**
- Fizzy drinks
- Sweets and chocolate bars

Please note that:

Cakes and biscuits are allowed – but only 1 of these per day

If these are in lunch boxes, then they will be sent home in the lunch box.

Birthday Book'

As we don't encourage sharing of sweets on birthdays we are continuing our "Birthday Book Scheme" this term so the children can celebrate their birthday by selecting a book for a donation that you would like to make (50p, £1 or £2.50). This has been an extremely successful scheme in the past. We have a selection of wonderful titles, something for everyone at affordable prices. Your child is bringing home a 'blue' letter that has a slip on the bottom that your child should give to their class teacher by the Wednesday the week before their birthday. Your child will then get the opportunity to select a book of their choice with Mrs Gundry and put a sticker with their name on the inside cover of the book. At the next Celebration Worship your child will be presented with the birthday book they have chosen. They can then take it home and enjoy the story before bringing it back for other children to read.
