Easter home learning ideas

Maths

Twinkl have some great Easter themed resources for you to download using this code: PARENTSTWINKLHELPS

Here are a few activities for you to have a go at:

OR:

Ask an adult to hide some Easter themed resources e.g. eggs around your house or garden. How many can you find? Can you write that number down, find out 1 less and 1 more than that number, double it, write it in words and draw it.

Phonics and English

Have a go at writing an Easter acrostic poem using these words: Easter, Bunny, Chick, Eggs. Here are some examples:

C rack Crack!
H atching chicks
I nside the egg
C heep Cheep!
K ick out of the egg

E aster eggs everywhere
G o go go to find them
G et them from behind the bush
S ave them for another day or share them with family

Baking

Over the last 2 weeks I have spent a lot of time baking some healthy and some not-so-healthy treats.

Yesterday, I made these Mini Egg Cookie Bars (they're delicious!):

I followed this recipe:

Have a go at baking a yummy Easter treat for you and your family to enjoy. Can you follow a recipe and weigh out the ingredients? You must ask an adult to help you!

Art

You could make an Easter basket to keep your Easter eggs safe. Here are some ideas:

Or you could use an empty cardboard box and add some decorations.
