

Penpals for Handwriting: information for parents

Pattern practice and 'play' writing are an important part of handwriting development. When your child is ready for letter formation, ask these questions:

- Where does the letter start?
- Is it a short letter? (a, c, e, i, m, n, o, r, s, u, v, w, x, z)
- Does it have an ascender? (b, d, f, h, k, l, t)
- Does it have a descender? (f, g, j, p, q, y)

The lower case letters are introduced in the following order in four family types:

The family of long ladder letters

The family of one-armed robot letters

The family of curly caterpillar letters

The family of zig-zag monster letters
