

ANDREWS' ENDOWED WEEKLY

<https://www.andrewsendowed.co.uk/>

19th May 2023

This Week:

I hope you are all enjoying the warmer weather and sunshine as the summer is approaching. The children have had a busy week. Year 6 enjoyed their special day of celebrating their efforts and achievements this year and their resilience in SATs. Our Acorns and Year 3 both went on a school trip on Thursday and our Year 4s had their swimming session. Thank you to all of the parents and carers who were able to help with these events.

Sunnier weather

Children should bring a hat on sunny days and make sure their clothing is labelled, especially jumpers and cardigans. Sun cream should be applied to your children before they come in to school as we are unable to apply sun cream at school. Children are asked to wear their Summer PE kits during their PE. We also ask children to wear grey black or white socks to follow our uniform policy. Thank you for your support in making sure everyone at Andrews' looks so smart and shows their pride in being a member of our school community.

A Welcome and 'We wish you well'

We would like to send a 'We wish you well' to Darcey in Year 3, who is starting a new adventure. Next week, we will be wishing Mrs Pooley well as she relocates. Mrs Pooley has driven forward the English leadership of the school and has nurtured Year 3. I am grateful for the work that Mrs Pooley has completed. The staff and children will thank her properly next week.

I would like to welcome Matilda and her family to Andrews'. It has been lovely to see Matilda share laughter with her new friends in year 1.

Wall Safety

For the children's safety, they should not be climbing over the wall or sitting on the wall at the beginning and the end of the day.

INSET Days

I have had a couple of parents querying whether the 5th June is an INSET day. It **isn't** an INSET day and therefore we look forward to welcoming the children to school for their learning.

Charity Walk for Peace

The school has been given the opportunity to take part in the **Muqami Region Walk, 2023 Charity Walk for Peace**. If we can get together at least **20 people** to complete the **5km walk at Hogmoor Inclosure**, Bordon, GU35 9HN tomorrow, **Saturday 20th May 2023**, the school PTFA will be eligible to receive a share of the money being raised. Last year 16 charities were chosen to be beneficiaries. ***The Charity has asked every group to get sponsorship and we are in the process of linking to our PTFA to a just giving page. I will share this link when it has been finalised.*** If you are able to support this event by participating in the walk please email schoolsupport@aepr.co.uk. Registration for the event will start at 10:30 for an 11:00 start. I hope to see you there.

Our Learning:

Acorns - School trip to Hllliers. It was a very informative trip.

Year 1 - English—Writing about 'Our Way Back Home'. We have been thinking about our capital letters and full stops. We have also been thinking about re-reading our work.

Year 2 - English—Thinking about trees to stimulate our understanding.

Year 3 - PE—We have been thinking about how we hold the ball in rugby.

Year 4 - Computing—Designing our own gadget by using our own algorithm. We had to use different outcomes using words such as if...then...else.

Year 5 - PE—Rounders skills and relay races

Year 6—RE—How people describe God and having an understanding people have different thoughts about God

Our Learning: Class in Focus

High Aspirations, Moral Strength, Spiritual Depth

Politeness and Courtesy

It is lovely to report some over and above behaviour observed by a parent this week:

"This morning I was impressed with Poppee in Yr 6. On two occasions now she has very cheerfully greeted my children on our way into school and this morning she was chatting to me about Yr 6 'fun day' and how excited she was to hear from Eggars'. Encounters like this really brighten my morning and seeing older members of the school so engaged and welcoming and excited about their future is lovely to see." Poppee certainly does bring sunshine to our day. Well done Poppee!

Artist of the Month

I have had an entry in for the Artist of the Month from Ruby this week. She has created a great art inspired by Doodleboy. If your child would like to complete some investigations and create a piece of art for the May's Artist of the Month their art could be chosen as the winner. The opportunity will allow children to look at a different artist and their work. Children can then respond to this artist by either creating a picture, taking a photograph, writing a story, doing some research or showing their exploration of the artist in uniquely creative ways.

If your child would like to participate in this opportunity, their creative work can be given to me.

May's Artist of the Month is **The Doodle Boy**.

It would be great to have as many children entering with their investigations and representations of the Doodle Boy's art.

Next Week

Whole School Drone Photograph

It is hoped that a whole school photograph will be able to be taken next week. The trustees of Andrews' Endowed wanted to gift the children with a special token to celebrate the King's Coronation. They thought a whole school photograph would be a memorable keepsake. The photograph will be taken in front of the school house.

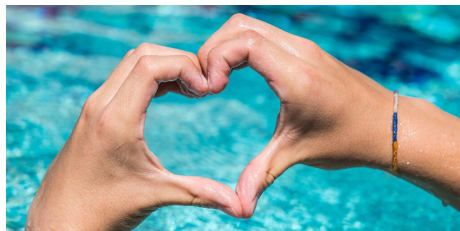

Year 6 Church Visit

As part of their RE curriculum, our Year 6's will be walking to Church of Holy Rood. If you are able to help walk the children to and from church please email schoolsupport@aepri.co.uk

Swimming

On Thursday 25th, our Year 4 children will be having their swimming lesson. The children have been excited to talk about their progress that they have been making.

Forest School Year 1 and Year 2

On **Friday 26th May** our Year 1 and Year 2 will be having their Forest School session. The children will need to wear their Forest school clothes. This includes long sleeves and trousers. The children will also need to wear their school shoes to school and have wellies or outdoor shoes in a bag to change into.

PTFA School Disco

On **Friday 26th May** the PTFA will be hosting a disco for our children. Our KS1 disco will be between 6:00pm and 7:00pm and our KS2 disco will be between 7:15 and 8:15. In order for this event to go ahead, we do need to have parents/carers who can volunteer their help.

Please be advised if you have NOT yet placed your School Photograph order, the order closing date is Tuesday 23rd May. Please either return your Order to the School or visit www.smileYellow.com using the passwords on the Proof card

Lunches

From 5th June 2023, HC3S will unfortunately be increasing their school meal price by 20p, from £2.80 to £3.

Sickness and Diarrhoea

If your child suffers with sickness or diarrhoea then they should be off school for 48 hours. The critical elements to manage and prevent onward transmission are:

Good hand hygiene

Prompt exclusion from school

Pupil not to return until they are 48 hours free from symptoms

Music Lessons September 2023—Year 3 to Year 6

If your child is interested in learning to play an instrument at school please either drop a note to schoolsupport@aepr.co.uk or pop into the school office and Mrs Edwards will add them to a list for some tasters later on in the summer term. Instruments on offer are: violin, brass (trumpet, cornet, trombone), woodwind (flute, clarinet) and guitar. Year 2 have been entertained by some of the pupils from brass, woodwind and violin showing them what instruments.

Football

Soccer Schools UK will be running our KS1 and KS2 after-school football club during the Summer Term. They are offering a 12 week term starting Thursday 20th April with the last session on Thursday 13th July (there will be no session in the last week of the Summer Term).

If you child has been attending this term you will need to re-book them via their booking line:
