# Home Learning

Year 1

- **Regular Reading** — In Year 1 we want to develop a love of reading. We expect the children to read at home often and will change their books every Friday. Please ensure your child brings their book to school every day, we will be listening to them read individually and as a group throughout the week.
- **Spellings** — We will be setting spellings each week. The spellings will be based upon the sound or spelling pattern we are learning that week, sheets will be sent home each week.
- **Maths and English** — We will alternate activities with Maths one week and English the next. English activities will be linked to class learning. Maths will be either a Mathletics task or a paper based task. Mathletics log in information will be stuck in the front of the Home Learning book.

Home Learning will be set every Thursday and will be due back in the following Tuesday.  
Please complete all Home Learning in pencil not pen.

All Home Learning will also be posted on the Google Classroom, password and log in information can be found in your child's Home Learning Book.

# Communication

We value a good relationship between home and school we want you to share any celebrations or concerns with us.

The most effective way to contact us is by email us on [schoolsupport@andrewsendowed.hants.sch.uk](mailto:schoolsupport@andrewsendowed.hants.sch.uk) or you can phone the office to leave a message.

We are happy to have a quick discussion in the afternoon, but please wait until we have dismissed all of the children before approaching us.

We look forward to welcoming Parent Helpers.
