

To understand what makes our county.

What towns and cities do you know in Hampshire?

Use Digimaps to answer the following questions:

<https://digimapforschools.edina.ac.uk>

What geographical features can they identify on the map?

To understand what makes our county.

What makes a city a city?

Draw a picture of a city that you are particularly interested in. Label the geographical and human features of the city.

The physical **characteristics** include landforms, climate, soils, and hydrology. Things such as language, religion, political systems, economic systems, and population distribution are examples of **human characteristics**.

When does a town turn into a city? Or a village into a town?
What is the difference between Winchester and Basingstoke?

Winchester	Basingstoke
