

# Week 6 ideas

Have a good week 😊

# What have my friends been up to?

What have my friends been up to?

This is what Year 1 have been up to at home. Can you spot your learning?

Please check out the Y1 page on the school website (not the home learning page) – I have been uploading some photos of your learning that you kindly sent me.

Please continue to send me photos and I will upload as many as I can 😊

Can you spot any of your learning?

<https://www.andrewsendowed.co.uk/classes/year-1/>

# Handwriting challenge

Here are 2 handwriting challenges. You could choose 1 or you could complete both 😊

## Challenge 1:

Can you write all of the letters of the alphabet in order? Make sure you form them correctly. Watch out for those b's and d's.

## Challenge 2:

Can you copy these sentences in your exercise book in your neatest handwriting? Once you're finished, can you write a sentence of your own?

It is a sunny day today. Would you like to play?

The children saw a snake eating a cake down by the lake.

I spied with my little eye a delicious blackberry pie.

I blew on my stew a few times as I knew it would be hot.

The rain was pouring down the drain as fast as a train.

# English

## Task 1:

### Writing Challenge Cards

Imagine that an alien visited Earth for the day. What kind of things would you do with him?

#### Think about:

- how would you speak to him/her;
- what sorts of things you would both do together;
- what places you would want to show him/her.

#### Check:

- capital letters and full stops;
- your spelling in a dictionary;
- that you have used some interesting adjectives.

twinkl.co.uk

## Task 2:

Creative writing opportunity. You could print the template off (Twinkl) or you could write your response on lined paper or in your exercise book.

I would love to read your ideas!

If you could go anywhere, where would you go and why?

<https://www.twinkl.co.uk/resource/t-l-2408-creative-writing-prompt-question-writing-frames>

Please continue to read daily 😊 2 - 3 pages or 5 minutes worth of reading is really beneficial.

# Phonics/reading

Choose a phonics activity appropriate for your child out of the following 3:

Phase 2:

**Simple Letter Sounds** <sup>1</sup>  
Can you draw a picture to match each letter sound?

a	s	t
p	d	m
g	o	l
e	i	u

ReadwithPhonics.com 

Phase 3:

Space Race:

Phase 5:

It would be great if the children could investigate alternative spellings – we have covered these in class but I think it would be beneficial to revisit. There are 2 different tasks for each; phoneme spotter and word sort.

# Spelling

Please work on the Year 1 Common Exception Words with your children. Choose 3-5 words per week to focus on.

They could practice writing them in sand/flour, using playdoh, rainbow writing, bubble writing or fancy writing.

## Challenge:

Can they write their focus words in a sentence?

## Year 1 Common Exception Words

# Maths

In your pack I gave you some information about White Rose Hub  
(<https://whiterosemaths.com/homelearning/year-1/>) – please start using this resource starting at week 1 (weight and mass) and then continue to work through the lessons. Please let me know how you get on with this.

OR

Choose a Maths activity from your work pack to complete.

## Home Learning - Year 1

### Week 1

#### Lesson 1 - Introduce weight and mass

Introduce weight and mass

This is a balance scale.

02:53

**Get the Activity**  
Y1 Spring Block 4 WO1 Introduce weight and mass 2019

**Get the Answers**  
Y1 Spring Block 4 ANS1 Introduce weight and mass 2019

# Geography

Your local area:

- What is your local area called? What do you know about your local area?
- Can you find your local area on a map? Can you find the park, shops or local restaurant?

Task:

Draw or paint a picture of your local school, park and supermarket. Write about where they are in your local area e.g. street name. You could use an online map to help you.

# PE

Don't forget to check out Mr Maliphant's PE videos -

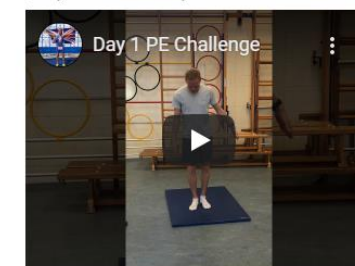

<https://www.andrewsendowed.co.uk/keeping-healthy/>

Here is Alton's very own PE teacher – Mr Maliphant. He will be making a PE video clip once a day and here is what he said about them:

I am going to do a short PE video every day that can be posted online for children, who are not in school, to follow and use. It can also be used by children in school as well. They will be simple exercises that are easy to follow and don't require any equipment.

Day 1 was filmed at Chawton. Thank you Mr Maliphant and we look forward to following you each day!

Day 1 – Tuesday 24th March 2020

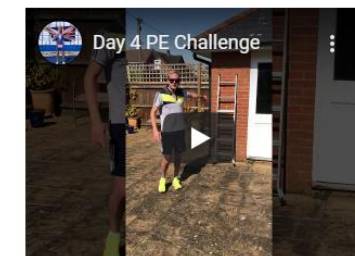

Day 2 – Wednesday 25th March 2020

Day 3 – Thursday 26th March 2020

Day 4 – Friday 27th March 2020

Cosmic Yoga for kids also seems to be popular. Please do check it out –
