Dear Parents/Carers,

SATs Revision Books

SATs are fast approaching and to help with this, alongside the parent meeting which you will receive an invitation to in February, we are offering some revision books to help the children prepare further. The company, 'Rising Stars', offer revision guides and question workbooks for Mathematics, Reading and SPaG. The Revision books are broken down into simple step-by-step flow charts that explain how to tackle SATs questions. The Revision book sets out all the information a child needs to know and the Question Workbooks give the children the opportunity to apply their knowledge and gain familiarity with the style of questions that will appear in the SATs test. Buying these independently on Amazon will cost £6 each however as a school, we can offer you both the revision and question books for £6 per set. The deadline to show your interest in these books is **Friday 12th January 2024**. We will then purchase the ordered copies and give them to the children as they arrive at school from the publishers.

As your child completes the workbook, I am more than happy to work with them on a 1:1 basis or small group basis to address any areas of difficulty. There is one version of these books for children who are aiming for 'ARE' and another set for the children who are aiming for 'Above ARE' or 'GDS'. I also know from speaking to parents that you may have copies of these revision books at home from an older sibling who possibly didn't use them as much because it was a COVID lockdown year for example. It is absolutely fine for both siblings to use these!

I hope the children will find these resources and please don't hesitate to contact me if there are any questions about any of these resources.

Yours sincerely

Sam Paine - Mr Paine

SATs Revision Books

Child's Name:-----

I would like to purchase the **Mathematics Revision Guide and a Mathematics Question Workbook for £6.00.**

I would like to purchase the **Reading Revision Guide and a Reading Question Workbook for £6.00.**

I would like to purchase the **SPaG Revision Guide and a SPaG Question Workbook for £6.00.**
